

22 great Bible verses to memorize - each illustrated with a well-known Bible story!

This collection of 22 memory verses with cute, child friendly illustrations is each accompanied by a story from the Bible that makes the verse come alive and enhances mental pictures - making it easier to remember the verse.

"We've developed My Key Verse Bible because we see an increasing interest in products, that help children memorize key verses from the Bible. "

Jacob Vium, Publisher

Knowing the truth of God's promises by heart at an early stage, lays a foundation for understanding them on a deeper level, and helps recollection, when situations call for them later on.
